Alfresco™
Open Air Culinary Systems
DISTRIBUTED BY SIGNATURE MARKETING GROUP

SINCE 1999

RESTAURANT ROOTS, BUILT FOR THE BACKYARD

Alfresco's founders spent decades building commercial kitchen equipment for restaurants and hotels before they launched Alfresco Open Air Culinary Systems in 1999: a residential outdoor kitchen line made the way restaurant equipment is made.

Every grill, burner, drawer and sink is built from 304 stainless steel at Alfresco's factory in the City of Industry, California. Signature stocks the line in Pine Brook, New Jersey, and supports dealers from the first drawing to service.

ALFRESCO FIRSTS

MANY OF THE IDEAS OUTDOOR KITCHENS TAKE FOR GRANTED

Alfresco counts these among the firsts it brought to outdoor cooking:

01 An infrared burner beside stainless steel burners in one grill: the Sear Zone

02 A full-length, extra-wide under-mount smoker with its own burner

03 An air-cooled, front-breathing control panel

04 The largest professional grill, at 56 inches

05 A grill on a refrigerated cart

06 A stainless steel convertible refrigerator that holds a full half keg

07 A built-in under-grill refrigerator

08 Outdoor refrigeration designed on a commercial platform

09 The largest selection of drop-in grill accessories

10 A sealed pantry in both under-grill and under-counter heights

11 Sinks and sink accessories designed for the outdoor kitchen

12 An outdoor pizza oven for both countertop and built-in installation

13 The outdoor kitchen planned in zones

Made in the USA

CITY OF INDUSTRY, CALIFORNIA

ALFRESCO INTELLIGENT PROFESSIONAL GRILL

AIPG 36" & 42"

The grill that tells you when it's done

Alfresco's newest grill adds a digital control panel and app to everything the LXE does: set a temperature, watch the food probe from your phone, and light the panel in the color of your choice.

FEATURES

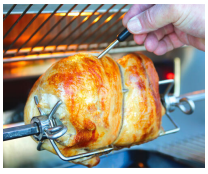

- Three 304 stainless steel CoreFlame main burners with Thermaglass radiant shields
- 2-position Mega-Drive rotisserie with Thermaglass infrared burner
- Signature Taste X2 integrated smoker system
- Sensa-Tek wireless temperature probe and Intelli-Temp smart grilling system with 4-zone digital temperature display
- GraviLift hood assist, Lumatouch control lighting and three halogen work lights
- 987 sq. in. total cooking surface with a 3-position warming rack
- Optional infrared Sear Zone (AIPG-SZK-42) drops into any cooking zone
- Built-in or deluxe cart model with pull-out tank drawer and lit storage; LP or natural gas

ALXE LUXURY GRILL

56" GRILLS

The largest grill Alfresco makes

Two ways to build at 56 inches. The Deluxe pairs a 42-inch grill with a built-in double side burner; the All Grill gives the full width to grilling. Both can sit on a cart or a refrigerated base.

FEATURES

- Three 18-SR stainless steel Accufire main burners
- All-Grill: Sear Zone ceramic infrared burner and 998 sq. in. of grilling area
- Deluxe: 770 sq. in. grill plus an integrated dual side burner with recessed sealed top and stainless cover
- Mega-Drive rotisserie system with dual infrared burners
- Signature Taste smoker with its own burner and a drawer for wood chunks
- 3-position warming rack that stows up and out of the way for the rotisserie
- Dual halogen work lights and push-button ignition on a sealed 110V AC supply
- Built-in, standard cart or refrigerated cart; LP or natural gas

42" GRILLS

Three burners, rotisserie and smoker

The 42-inch is the grill most Alfresco kitchens are planned around: three main burners, or two and a Sear Zone, with a rotisserie, smoker and work lights built in.

FEATURES

- Three 18-SR stainless steel Accufire main burners (two plus Sear Zone on SZ models)
- 770 sq. in. actual grilling area
- Mega-Drive rotisserie system with dual infrared burners
- Signature Taste smoker with its own burner and a drawer for wood chunks
- 3-position warming rack that stows up when using the rotisserie
- Dual halogen work lights and push-button ignition on a sealed 110V AC supply
- Built-in, standard cart, deluxe cart (1 door, 2 drawers) or refrigerated cart; LP or natural gas

IN EVERY ALFRESCO GRILL

BUILT LIKE RESTAURANT EQUIPMENT

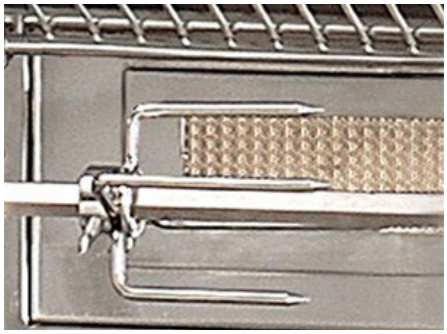

Every LXE and AIPG grill shares the same construction and the same cooking systems.

ACCUFIRE BURNERS
Commercial stainless burners with a lifetime warranty on the burners.

SEAR ZONE
An optional infrared burner that reaches searing heat in minutes.

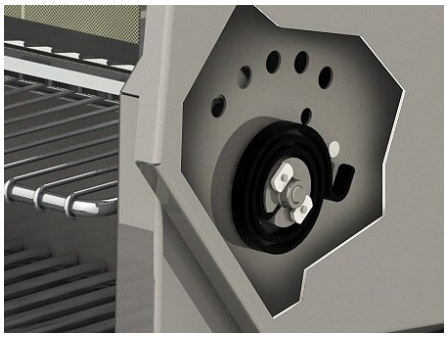

ROTISSERIE
An integrated rotisserie with an infrared rear burner.

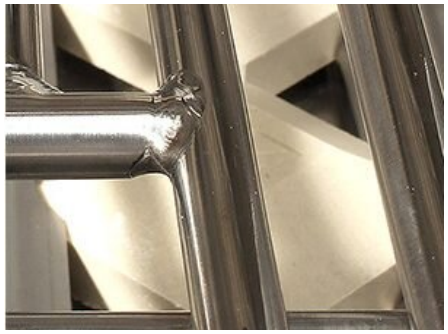

SMOKER
A smoker drawer for wood chunks, with its own burner.

WORK LIGHTS
Lights in the hood for cooking after dark.

HOOD ASSIST
A counterbalanced hood that opens with little effort.

STAINLESS GRATES
Heavy round stainless cooking grates.

AIR-COOLED PANEL
A front-breathing control panel that stays cool to the touch.

HAND-FINISHED DETAILS
Nickel-plated knobs and bezels, hand-welded seams.

ONE GRILL, MANY KITCHENS

AXEWD-30	30" Warming Drawer - 110 Vac Powered		**$2,429**

PLAN IT IN ZONES

Alfresco plans an outdoor kitchen the way a restaurant line is planned: in zones, each with what it needs close at hand. Signature can help you and your dealer lay it out.

HOT
Grill, side burners, Versa Power, pizza oven and griddle.

COLD
Refrigerators, under-grill refrigeration and the ice drawer.

WET
Versa Sinks, the prep and wash sink and the faucets.

DRY
Sealed pantries, drawers and access doors.

PREP
Plate and garnish rails, pizza prep and the waste chute.

SERVE
Warming drawers and food warmers.

GOOD TO KNOW

GAS

Gas appliances are made for natural gas (NG) or propane (LP). Where both are the same price, the table shows one line: ALXE-42-NG / -LP means order ALXE-42-NG or ALXE-42-LP.

COLOR

Models marked with a color dot are available in Alfresco's ten standard colors or 216 RAL Classic colors. Ask Signature for color pricing and lead times.

PRICES

Prices are Alfresco's minimum advertised prices (MAP), effective January 1, 2026, as printed in Signature's Alfresco price books. Signature Marketing Group reserves the right to modify pricing without notice.

WARRANTY

Warranty summary (Alfresco limited warranty)

PLANNING AND INSTALLATION

Cutout dimensions, gas and electrical requirements and installation manuals for every model are available from Signature. Built-in grills in combustible islands need an insulating jacket.

SERVICE

Service is through ADCO Service: 866-402-4600. Signature: 800-358-8886.
