DISTRIBUTED BY SIGNATURE MARKETING GROUP

INDOOR, OUTDOOR AND ADA

REFRIGERATION THAT FITS WHERE YOU LIVE

Sapphire is the undercounter line of The Legacy Companies, a Fort Lauderdale group with a long history in commercial and restaurant ice machines. The line covers ice machines, refrigerators, refrigerator drawers, beverage centers and wine refrigerators, at 15 and 24 inches.

Units are built to 24-inch cabinet depth and install flush with no air gap, in stainless, panel-ready, outdoor and ADA-height versions. Signature stocks Sapphire in Pine Brook, New Jersey, and supports dealers from the first drawing to service.

Model index 27

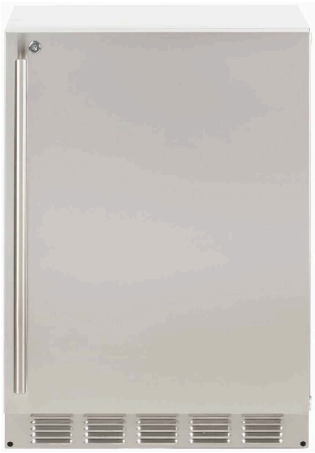

TWO SERIES

SERIES 3 OR SERIES 5

Most Sapphire products come in two series. Each model in the price tables says which.

SERIES 3
A matte black cabinet with a stainless door that comes off for your own 3/4" panel. Every built-in Series 3 model is rated for indoors or outdoors.

SERIES 5
A fully wrapped stainless cabinet with Sapphire's blue interior, concealed self-closing hinges, touch controls and racks that take wine, glass or chrome inserts.

MADE TO FIT

PANEL READY, ADA AND OUTDOOR

Sapphire units are built to 24-inch cabinet depth and install flush, with no air gap. Order stainless (SS), panel ready (PR), stainless panel ready (SSPR, Series 3), outdoor (OD) or ADA height.

STAINLESS
A stainless door or glass frame that stands out from the cabinets.

PANEL READY
Your own 3/4" cabinet panel and handle, up to 25 lbs, so the unit reads as one more cabinet.

OUTDOOR
Series 3 built-ins and the Series 5 OD models are rated for outdoor kitchens.

ADA HEIGHT
ADA models stand 32 to 33 inches tall to fit under a 34-inch counter.

01

ICE

Nugget, gourmet, full dice and crescent ice, from 15-inch undercounter machines and a countertop maker.

Four kinds of ice 8
Nugget ice machines 9
Gourmet ice machines 10
Full dice ice machines 11
Crescent ice makers 12
Water filters 13

FOUR KINDS OF ICE

PICK THE ICE, THEN THE MACHINE

Each kind of ice is frozen a different way. Gourmet and full dice come out clear and hard; crescent keeps well without a drain; nugget is soft enough to chew.

GOURMET
Large clear 1 3/8" cubes, up to 68 lbs a day.

FULL DICE
Clear 7/8" square cubes, up to 75 lbs a day.

CRESCENT
Half-moon cubes that need no drain, up to 25 lbs a day.

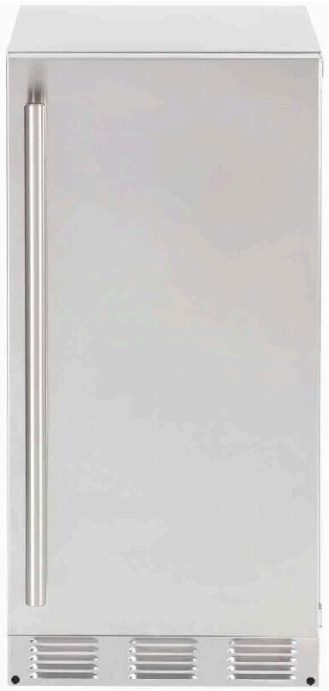

NUGGET
Soft, chewable nuggets, up to 80 lbs a day.

SERIES 5

NUGGET ICE MACHINES

The soft, chewable ice from restaurants and soda fountains, from a 15-inch undercounter machine with a drain pump, a water filter and a TDS meter built in. Stainless, panel ready or outdoor stainless.

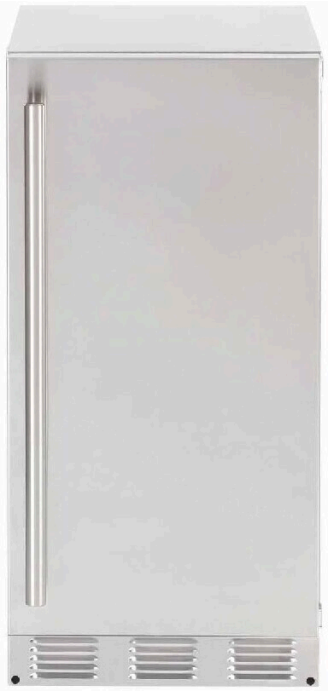

FEATURES

- Up to 80 lbs of nugget ice per day
- Insulated bin with an onboard TDS meter to check the water supply
- Integrated water filter (included), replacement part 601503
- Factory-installed drain pump and a 10 ft drain line
- Quiet mode pauses ice making at set times of day
- Alert when it is time to clean; stops automatically when the bin is full

SPECIFICATIONS

Ice production	80 lbs/day
Ice storage	26 lbs (insulated bin)
Width	14 7/8"
Depth	23 1/4"
Height	34" – 35"

SERIES 5

GOURMET ICE MACHINES

Large, clear individual cubes for the cocktail glass, from a 15-inch machine with a drain pump and water filter built in. Stainless or panel ready indoors, stainless outdoors.

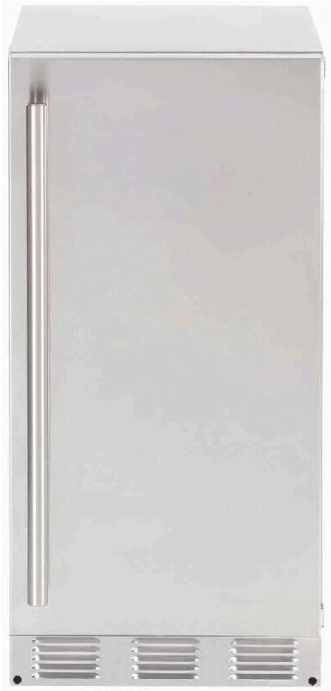

FEATURES

- Up to 68 lbs of clear gourmet cubes per day
- Bin holds up to 25 lbs
- Integrated water filter (included), replacement part 601503
- Factory-installed drain pump and a 10 ft drain line
- Quiet mode, cleaning alert, and automatic stop when the bin is full
- Energy Star rated (indoor SIIM15PSS and SIIM15PPR)

SERIES 3 AND 5

FULL DICE ICE MACHINES

Clear ice frozen in a sheet and broken into 7/8-inch square cubes. Series 5 makes a little more ice indoors; Series 3 goes indoors or out. Both come at standard or ADA height.

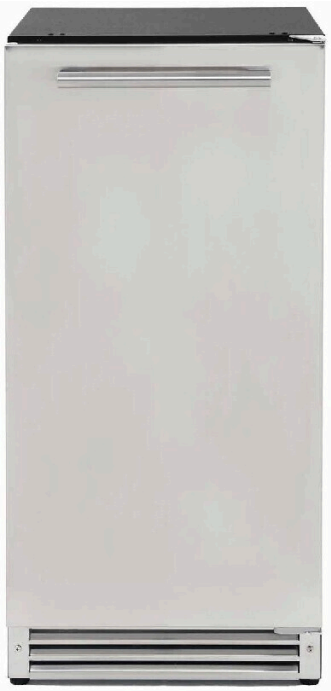

FEATURES

- Clear 7/8" square (full dice) cubes
- Series 5: up to 75 lbs a day, 25 lb bin, Energy Star rated, filter included
- Series 3: up to 70 lbs a day, 26 lb bin, indoor or outdoor
- Factory-installed drain pump and a 10 ft drain line on every model
- Series 3 control sets cube size (1 to 6), fast-ice mode, a 1-12 hour pause and a 30-minute clean cycle
- Standard and ADA heights in both series

Countertop SCIMCTSS

SERIES 3

CRESCENT ICE MAKERS

Crescent cubes keep in the bin, so neither model needs a drain: a countertop maker, and a 15-inch built-in rated for indoors or outdoors.

FEATURES

- Half-moon crescent cubes, 1/2" x 7/8" x 2 3/8"
- No drain required; ice keeps long term in the bin
- Countertop: 20 lbs a day, 15 lb removable bin, on/off toggle, manual defrost
- Built-in: 25 lbs a day, 20 lb removable bin, rated for indoor or outdoor use
- Built-in: stainless door that can be swapped for a custom panel, close-assist hinge
- Both: matte black cabinet, black interior, clear scoop and hook

SPECIFICATIONS

WINE TOWER		UMRP
SW643TZBLK	Series 3 · 3-4-64 Wine Tower - With 4 port Dispenser	**$6,399.99**

RACKS THAT CHANGE WITH YOU

Series 5 racks pull all the way out and take wine, glass or chrome inserts, so the same unit can hold wine one year and cans the next.

WINE
Standard and specialty racks hold 750 ml bottles on full-extension slides.

CANS AND BOTTLES
Chrome or glass inserts turn the same rack into drink storage.

BUILT IN
Wine refrigerators install flush in a 24-inch cabinet run.

ON SHOW
LED theater lighting shines through the racks.

ORDERING

GOOD TO KNOW

MODEL LETTERS

SS stainless, PR panel ready, SSPR stainless panel ready (Series 3), OD outdoor, ADA accessible height. SZ, DZ and TZ are single, dual and triple zone.

PRICES

Prices are Sapphire's UMRP, effective January 1, 2026, as printed in Signature's Sapphire price book. Signature Marketing Group reserves the right to modify pricing without notice.

INSTALLATION

Ice machines other than crescent need a water line and a drain; the pump models come with a drain pump and a 10-foot drain line. Install guides for every model are available from Signature.

PANELS

Panel-ready models take a 3/4" custom panel up to 25 lbs; the customer supplies the panel and handle. Panel sizes for each model are available from Signature.

WARRANTY

Two years parts and on-site labor, and five years on the compressor (parts only), from Sapphire.

SERVICE

Service is through ADCO Service: 480-282-6404. Signature: 800-358-8886.
